A Word from the Co-Presidents

While making signs to welcome home our veterans, we were talking. One of our members said if people would just see things in a positive light wouldn't the world be a happier place. That got me thinking, we all chose to be happy or not on any given day. We can also choose to see the good in people and see the positive in a situation. Sometimes it takes a bit more effort to do this. It's harder to make a change rather than make an excuse and it's often harder to listen rather than to talk. This summer while we are all relaxing, think about how you can live your life better. Live your life, don't let your life live you. Make choices, be useful, treat yourself like your friends would treat you. Enjoy your summer with happiness and positivity in your heart.

Announcing our 2023-24 Charity: Madi's House

Madi's House is a free, non-residential community center for young adults who are healing from mental illness or recovery. They are a safe place to hang out - provide fun, recreational activities and emotional support to foster ongoing wellness. They provide the missing piece after inpatient treatment, and while attending outpatient, they provide programming to fill idle time. They are the solution to empty free time. Madi's House helps shape the path to a healthy life with art classes, games, movie nights, workout equipment, wellness programs, music, special events, and more!

NEW Members providing Dinner for May We Help Volunteers

On April 18, 2023 Mary Petersen organized a dinner for May We Help volunteers at their location on Wooster Pike. This group included Mary & Pete Petersen, Janet Brooks, Pam Cox, Cindy Gerike, Julie McCoy, Linda Pietrantano, Gail St. Pierre, Brian and Karen White.

Thank you for all of the time you spent coordinating and organizing the volunteer opportunity supporting MWH. The attendees seemed to really enjoy the meal and were very appreciative. They loved the baked potatoes and I heard many positive comments on our spread! It was nice touring the facility and meeting the staff and many of the volunteers. Karen you did a very nice job of describing NEW's purpose to all the volunteers. Thank you all for stepping up to connect with our charity and for mingling with them so they know us and what we are all about. You gals are the best ❤️. Thanks again everyone for making this event a success!

Donation to 2022-23 Charity:

This year we presented a check for **\$6,000.00** to our charity, May We Help. In addition Cindy Gerike and Taffy Clifton led two Card Making workshops that raised an additional **\$1,900** that went directly to the charity. The donation was presented at the May Brunch. Thanks to Ways & Means members Lois Bobbert, Gail St. Pierre and Marylu Torrison for coordinating events to raise money for our charity!
